## List of National Traditional Driving Clubs.

The Directory of European Clubs has been drawn up to facilitate easier cross border communication. It is a work in progress, as it only lists those National Clubs / Associations that we are aware of. To assist in its completion, please add details of any other National Clubs, Associations or Societies that you may know so that we may update the directory as they become known.

## **2025 Events Coordination Discussion**

Saturday, June 1, 2024. Angelstrasse 41, 68199, Mannheim, Germany.

**Programme:** 13.30 Welcome by Mr. Heinz Scheidel, Meet & Greet Reception  
14.00 Discussion, the 2025 Events Calendar  
16.00 The opportunity to visit the Scheidel Collection

The meeting will be chaired in English and German by DTV President, Peter Tischer & Mark Jurd. (Eric Macrez and Paolo Fornara will be on hand to translate into French and Italian). Matters can only be discussed within the context of the clubs present. A summary of the most important points and decisions taken will be sent to all delegates.

### **14.00 MEETING OPENS**

### **AGENDA**

**1. THE 2025 EVENTS CALENDAR** each delegate is asked to introduce themselves and the Club or Association they represent.

Delegates are asked to provide a list of any known dates, or list those events that take place at a certain time of the year to enable an events calendar to be compiled.

How can we better coordinate / plan our events to avoid clashes and offer traditional carriage drivers greater choice?

### **2. COMPETITION JUDGES**

There are two few qualified judges available. How can we improve this situation?

Clubs / Associations should consider including a judges' list on their websites / newsletters, just as some have already have. ( The DTV judges list can be found on: [www.dtv-tradition.de](http://www.dtv-tradition.de) )

### **IF TIME ALLOWS THE FOLLOWING POINTS MIGHT BE DISCUSSED.**

### **3. PROMOTE CROSS BORDER MEMBER PARTICIPATION**

Are we in favour of our various members taking part in the events of other clubs and countries?

Does a guest competitor have to be a member of the organising club?

How do we promote promote / publicise this to achieve greater participation?

### **4. ENHANCING COMMUNICATION**

Are we in favour of creating better communication channels between us? If so, would each club like to appoint a Foreign Relations representative to promote international communications?

Should an international directory of the various clubs, groups and associations be created to facilitate this and should this then be included on their various websites and newsletters?

Shall the minutes of today's meeting be forwarded to the other clubs/associations, who may wish to be included in the initiatives decided upon.
